Re: 'Complex Analysis with Vector Calculus' by T.M.J.A. Cooray

We are the publishers of the above work (the "Book").

It has been brought to our attention that materials in the Book infringe the copyright in literary works authored and owned by Professor Peter Olver (the "Works").

We hereby undertake to cease all manufacture, advertising, promotion, sale and distribution of the Book.

We hereby undertake to destroy all copies of the Book in our possession and provide evidence of the same upon request (other than three (3) copies of the Book which we shall supply to Professor Peter Olver for his records).

We hereby undertake to desist from using or permitting or assisting any other to use any of Professor Peter Olver 's copyright Works in future without his prior written authority.
